SEAL SHIELD™ Silver Surf Corded / Wireless KB

100% Waterproof • Spillproof • Dishwasher Safe • Guaranteed

8-Foot USB Extension Cable (On Corded Version) Quick Disconnect™ USB Cable

Programmable Hot Keys
13 distinctive Hot Keys let you launch your favorite applications with a single touch.

Wireless Convenience
Seal Shield™ wireless technology establishes a fast, reliable connection and helps eliminate cable clutter. Easy Plug n' Play installation with 2.4 GHz USB transmitter included. Also available in a corded version.

Guaranteed Quality
100% Waterproof Guaranteed. Rugged and built to last. 1 Year Limited Warranty. Good Housekeeping Guarantee.

Multi-Media Center
Control your media activities with a touch of a button. Five buttons make connection and control of your media sources quick and easy.

Attractive Ergonomic Design
Contemporary low profile styling saves space without sacrificing comfort. Includes integrated ergonomic palm rest, adjustable keyboard height and retractable feet.

Integrated Seal Touch™ Pad
Now get the convenience of Keyboard and Mouse in one convenient package with the Silver Surf keyboard and integrated Seal Touch™ pad.

100% Waterproof — Guaranteed
The Seal Shield™ electronic water proofing process (Patent Pending) makes the keyboard spillproof, fully submersible and dishwasher safe. The Seal Shield™ Keyboard is rugged and safe and is backed by a 1-Year Limited Warranty.

Family Friendly
We love our kids, but kids can be hard on keyboards. Seal Shield™ keyboards are safe and can stand up to whatever little ones can dish out. When you have a family, spills, runny noses and coughs are a way of life. Kids don't always wash their hands, so you need a keyboard that can be washed frequently.

100% Spillproof
Accidents happen. Small spills, big spills, even complete submersion- Seal Shield™ can handle it. Whenever accidents happen, or just to keep the keyboard clean, rinse it off under the faucet, soak in the sink, or put it in the dishwasher. Your keyboard comes out clean and ready to use.

Dishwasher Safe
Seal Shield™ keyboards are easy to clean. Just put them in the dishwasher to thoroughly clean and disinfect the unit. Laser etched keys will not fade during washing.

Silver Seal™ Antimicrobial Protection
Silver ions embedded in the plastic provide antimicrobial protection and resist microbial growth and spread of odor-causing bacteria. Safe and effective.

Good Housekeeping Seal of Approval
The Seal Shield™ keyboard with Silver Seal™ protection has earned the seal after evaluation or review by the Good Housekeeping Research Institute.

- Compatibility: PC (Vista™, Windows XP™) and Mac (OS X 10.5+, USB, CD-ROM)
